

# ADOPT-A-CHILD

We keep kids warm all winter

*Dear Ralph Neale + Friends at Belleville Dodge, Chrysler + Jeep,*

On behalf of the Adopt-A-Child/Keep Kids Warm Program, I wish to express our sincere thanks to you for your support of this charity. Your donation helps us to once again achieve our goal of keeping area kids warm this winter season.

It is only through the charitable donations of organizations, businesses and individuals that we are able to provide support to the children that need our help. We receive no external funding and the program is operated by a group of dedicated volunteers. Therefore, we rely on people like you. Your generosity is greatly appreciated.

Please find enclosed a receipt with our charitable number.

Thank you so much for your support.

Sincerely,

C. Shanque
